

Session Fees

At Limestone Photography, you can choose either to take your portraits in our studio, or for something completely different, on location. It's up to you to decide. The session fee is a professional fee, and is due at the time of your appointment.

Yearbook Only Session **\$30.00**

Formal head and shoulder poses only. You will have a choice of which image you want sent directly to the yearbook advisor. If at a later time, you decide to place a print order, we will issue a \$10 credit to your order.

Basic Stuff **\$20.00**

Formal head and shoulder poses only. No Change of Clothing.

Ship Wreck **\$35.00**

This session offers the same formal poses of the Basic Stuff, plus up to two additional outfits with casual poses.

Around Town **\$50.00**

If Studio portraits just aren't your thing, take it on the road, literally. We will be more than happy to take your Senior Portraits at a park, downtown, with your car, or wherever you want. A simple consultation is needed to go over location options and outfit decisions.

Best of Both Worlds **\$75.00**

If you want the best of both worlds, we can take your portraits both on location and in Studio. Up to 3 outfits in taken in our Studio and 2 additional outfits at a location of your choosing. Quite simply, the Best of Both Worlds!
